

## Warning statement about borrowing

### **WARNING - DO YOU REALLY NEED A LOAN TODAY? \***

It can be expensive to borrow small amounts of money and borrowing may not solve your money problems.

Check your options **before** you borrow:

- For information about other options for managing bills and debts, ring 1800 007 007 from anywhere in Australia to talk to a free and independent financial counsellor
- Talk to your electricity, gas, phone or water provider to see if you can work out a payment plan
- If you are on government benefits, ask if you can receive an advance from [Centrelink](#) or phone 13 17 94

The Government's [MoneySmart](#) website shows you how small amount loans work and suggests other options that may help you.
